

FIND GROWTH OPPORTUNITIES MANY BROKERS & PROP FIRMS MISS

AIBI.Global gives you clarity to protect profits, retain clients, and scale faster — all on one platform.

Running a brokerage or prop firm means constant decisions under pressure. AIBI.Global puts all your risk, sales, retention, and KPI insights in one place — so you can act faster, protect profits, and grow with confidence.

HOW WE HELP YOU STAY AHEAD

- Spot high-value clients early** → Predict profitability after just first 10 trades and last 50 trades with 93% accuracy.
 - Brokers can ensure proper A/B-book routing to protect margins.
 - Prop firms can fund the right traders, with much fewer potential losses.
-
- Unify scattered data** → MT4, MT5, cTrader, DXtrade, and CRMs connected in one live dashboard.
- Brokers eliminate manual reporting and act on real-time book insights.
- Prop firms monitor trader pipelines and performance in one hub.
-
- Detect fraud fast** → Catch scalping, multi-accounting, collusion, and latency abuse before they escalate.
- Brokers protect order flow and prevent profit drain from hidden abuse.
- Prop firms stop traders from exploiting evaluation rules or challenge accounts.
-
- Boost retention & engagement** → Identify inactivity, sharp trading drops, or disengaged funded accounts early.
- Brokers keep clients trading longer and increase lifetime value.
- Prop firms improve activation and challenge completions

PROVEN RESULTS

One year results for A SMALL BROKER

- Added **\$138K net profit** from proper A/B routing in 1 year
- Saved **\$7K** by detecting scalpers and ambiguous abuse
- Prevented liquidation of 166 accounts — preserving up to 61% of at-risk clients
- **Retention reached 63%**, 13pp higher than peers
- 46 margin call upgrades generated **\$220K in revenue**

In just 1 year: stabilized operations, prevented major client loss, reactivated inactive traders, and unlocked +\$220K in upgrade revenue — achieving consistent profitability.

Two year results for A LARGE PROP FIRM

- Gained **\$1.94M net profit** from smarter A/B routing in 2 years
- Saved **\$448K** by blocking scalpers and hidden abuse
