

FIND GROWTH OPPORTUNITIES MANY BROKERS & PROP FIRMS MISS

AIBI.Global gives you clarity to protect profits, retain clients, and scale faster — all on one platform.

Running a brokerage or prop firm means constant decisions under pressure. AIBI.Global puts all your risk, sales, retention, and KPI insights in one place — so you can act faster, protect profits, and grow with confidence.

HOW WE HELP YOU STAY AHEAD

- AI predicts profitable traders** after 10 trades (93%) and tracks last-50-trade behavior for shifts.
 - Brokers identify profitable traders early to make smarter A/B-Book decisions and protect margins.
 - Prop firms detect top performers quickly and allocate capital more efficiently across funded accounts.
- Unify scattered data** → MT4, MT5, cTrader, DXtrade, and CRMs connected in one live dashboard.
 - Brokers eliminate manual reporting and get a unified view of client activity across platforms.
 - Prop firms monitor trader performance and risk metrics across all connected platforms.
- Detect fraud fast** → Catch scalping, multi-accounting, arbitrage, and latency abuse before they escalate.
 - Brokers protect order flow and prevent profit drain from hidden abuse.
 - Prop firms stop traders from exploiting evaluation rules or challenge accounts.
- Boost retention & engagement** → Identify inactivity, sharp trading drops, or disengaged funded accounts early.
 - Brokers keep clients trading longer and increase lifetime value.
 - Prop firms improve activation and challenge completions

PROVEN RESULTS

One year results for A SMALL BROKER

- **Added \$138K net profit** from proper A/B-book allocation in 1 year
- **Saved \$7K** by detecting scalpers and ambiguous abuse
- **166 at-risk accounts (~61%)** retained through margin call prevention, extending client lifetime
- **Retention reached 63%**, 13pp higher than peers
- Margin call reactivations generated **\$220K** in additional revenue

In just 1 year: stabilized operations, prevented major client loss, reactivated inactive traders, and unlocked **+\$220K** in upgrade revenue — achieving consistent profitability.

Two year results for A LARGE PROP FIRM
