POWERED BY DATA. TRUSTED BY BROKERS.

Positioning

We are a provider of AI-powered, advanced data analytics solutions for brokers and prop firms.

One-liner

AI.BI.Global delivers advanced, real-time AI analytics that help brokers and prop firms manage risk, improve performance, and drive sustainable long-term growth.

Mission

Our mission is to empower brokers and prop firms with clear, actionable insights that make complex trading data easier to understand and act on. We help them manage risk more effectively, respond faster to market changes, boost sales performance, and drive sustainable, long-term profit growth.

Vision

A market where brokers operate with complete clarity, using AI-driven, real-time data to manage risk and grow their business with confidence.

COMPANY LOGO

The AIBI.GLOBAL logo combines glowing geometric circles with bold typography carrying futuristic aesthetic evoking innovation, representing structured yet adaptable solutions globally.

Logo prime

Logo alt

COMPANY LOGO BACKGROUND GUIDELINES

1/ Use the prime logo against black or dark backgrounds.

2/ Use the alternative logo against the light backgrounds, the multicolored background or an image.

FORBIDDEN COMPANY LOGO USAGE

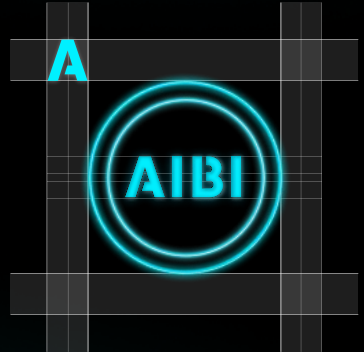

None of the variants listed below are permitted:

- Changing color
- Adding special effects
- Altering the logo's dimensions
- Rearranging the composition of the logo
- Arbitrary stroke weight modifications
- Unauthorized tilting or skewing
- Placing transparent logos on a white background

SPACING

The minimum clear space permitted around the logo must equal the height of the bold "AIBI" lettering located in the center of the logo. This area must remain free of text, graphics, or other visual elements to maintain legibility and visual impact.

PRODUCT LOGOS

SPARK, FLAME and JET product logos are proprietary AIBI.GLOBAL brand assets used to identify our products in marketing materials, UI, and documentation.

Logos prime

SPARK

A luminous lightning bolt enclosed in glowing geometric circles symbolizing instant insights and decisive action.

FLAME

A glowing flame with an integrated lightning bolt, enclosed in glowing rings, symbolizing speed, boosted performance, and a unified system.

JET

A luminous flame with an integrated lightning bolt, enclosed in glowing geometric circles, symbolizing speed and continuous performance.

Logos prime (shiny)

Logos alt

LOGO BACKGROUND GUIDELINES

1/ Use the prime (and shiny) logos against black or dark backgrounds.

2/ Use the alternative logos against the light backgrounds, the multicolored background or an image.

FORBIDDEN LOGO USAGE

None of the variants listed below are permitted:

- Changing color
- Adding special effects
- Altering the logo's dimensions
- Rearranging the composition of the logo
- Arbitrary stroke weight modifications
- Unauthorized tilting or skewing
- Placing transparent logos on a white background
- Placing dark background logos on a dark background

CORPORATE COLORS

These colors must not be altered. If you encounter difficulties matching the exact color, aim for the closest possible match to the original.

This color palette combines deep tones with accent colors, reflecting the intellectual power of AI solutions and the brand's technological progressiveness. The cool hues emphasize analytical precision, while the vibrant accents convey innovation dynamics.

CORPORATE FONT
